AlohaCare Advantage Plus

Pharmacy Directory

This booklet provides a list of AlohaCare Advantage Plus' network pharmacies. This directory is for the State of Hawaii. We also list pharmacies that are in our network but are outside of the State of Hawaii. Please contact AlohaCare Advantage Plus at 973-6395 from Oahu or toll-free at 1-866-973-6395 from Neighbor Islands or the Mainland, Monday through Friday, 8 a.m. to 8 p.m., for additional information. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about AlohaCare Advantage Plus network pharmacies in your area, please visit our Web site at www.AlohaCareHawaii.org or call our Customer Service Department at 973-6395 from Oahu or toll-free at 1-866-973-6395 from Neighbor Islands or the Mainland, Monday through Friday, 8 a.m. to 8 p.m., or visit us Monday through Friday, 8 a.m. to 5 p.m. (TTY users should call 1-877-447-5990).

Introduction

This booklet provides a list of AlohaCare Advantage Plus' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and AlohaCare Advantage Plus' formulary. If you have additional questions, please call our Customer Service Department at 973-6395 from Oahu or toll-free at 1-866-973-6395 from Neighbor Islands or the Mainland, Monday through Friday, 8 a.m. to 8 p.m., or visit us Monday through Friday, 8 a.m. to 5 p.m. TTY Users should call 1-877-447-5990. Or, visit www.AlohaCareHawaii.org.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by AlohaCare Advantage Plus. In most cases, your prescriptions are covered under AlohaCare Advantage Plus only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

How to Find Pharmacies in the AlohaCare Advantage Plus Directory

Retail and Chain Pharmacies are listed in alphabetical order by county. Mail Order, Home Infusion, and Long Term Care pharmacies are available to all members. These pharmacies are listed following the county listings.

AlohaCare Advantage Plus' Network Pharmacies

AlohaCare Advantage Plus Retail and Chain Pharmacies Offering Extended Supplies of Medications

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of obtaining an extended supply of maintenance medications at some retail and chain pharmacies in our network. Some of these retail and chain pharmacies offering extended supplies of maintenance medications may agree to accept the mail order reimbursement rate for an extended supply of medications, which may result in no out-of-pocket payment difference to you. Other retail and chain pharmacies offering extended supplies of maintenance medications may not agree to accept the mail order reimbursement rate for an extended supply of medications. In this case, you will be responsible for the difference in price. In the pharmacy directory below, you will find identified (by asterisk) those retail and chain pharmacies in our network that offer extended supplies of maintenance medications.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under AlohaCare Advantage Plus through the facility's long-term care pharmacy or another network long-term care pharmacy.

A long-term care pharmacy provides medications to residents of long-term care facilities (such as nursing homes and residential care facilities, mental health facilities, hospices, and long-term care or skilled nursing care beds in hospitals). For more information on long-term care pharmacies, please contact the Customer Service number at the beginning of this document.
